ENVI SION™ PRO APP
STEP BY STEP GUIDE
FOR PATIENTS

Clinic ID:

1. **DOWNLOAD** the app from App Store or Google Play by searching **Envision Pro**

2. **SET UP AN ACCOUNT**
   Select **I’m a Patient**. Select **This is my first evaluation**. Enter the **Clinic ID** you will receive from your healthcare professional. Follow the steps to finish creating your account. Your healthcare professional will pair the Envision™ recorder.

3. **LOG EVENTS**
   - For the next 7 days, record events, such as meals, medications, and exercise.
   - Make sure the date and time of each event is accurate.
   - Use only one device to log events during the evaluation.

4. **AT THE END OF THE EVALUATION**
   - Be sure that all events are recorded in the app.
   - Your app will notify you **Your Evaluation Ended!** Follow the instructions in the app to send your data to your healthcare professional.
   - Keep the app on your phone until you review the reports with your healthcare professional.
USE THE APP

Log Your Events

- **Meals**: Record meal size, time and date. (Optional) Record carbs and take a picture of your meal.
- **Medication**: Record your diabetes medications, time and date.
- **Insulin**: Record your insulin type, number of units, time and date.
- **Exercise**: Record exercise intensity, time and date.
- **Sleep**: Record sleep start time, end time and date.
- **Note**: Record anything that may impact your glucose readings.

My Journal

- **Main Menu**
- **Main Options**

End Evaluation

‘YOUR EVALUATION ENDED!’

When you receive the notification ‘Your Evaluation Ended’, you need to **Send Data** to your healthcare professional. Make sure all events are logged before you tap Send Data. Tap **My Journal** if you have more events to log. Once all events are logged, tap **Send Data** to complete evaluation.

Main Menu

- **My Journal**: See a summary of entries, add/edit events.
- **Help**: Access answers to questions about setup, event logging, troubleshooting.

End Evaluation

Tap here if you need to end the evaluation early because of a problem. Contact your healthcare professional.
